

Facade luminaire Trio Lighting Maas green E27 IP44

Product code 22811

The MAAS outdoor wall light in a classic design sets stylish accents in any outdoor area. Whether on the balcony, patio or house façade - it adds a special touch to any location and provides atmospheric moments of light. With an IP44 protection rating, the light is particularly robust and offers reliable protection against splashing water from all directions and the ingress of foreign bodies. The green die-cast aluminium gives the luminaire a modern and stylish look while guaranteeing a long service life and excellent resistance to external influences. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
