

Pendant lamp Nova Luce Siderno transparent 16W 1193lm IP20 3000K warm white

Product code 22838

The Siderno suspension light combines gold aluminum and acrylic materials to create a sophisticated lighting fixture for indoor use. Featuring integrated warm white LED modules with a color rendering index above 80, it delivers soft, inviting illumination. Designed for surface mounting on ceilings, this non-dimmable fixture offers a luminous flux of 1193 lumens at 3000K color temperature. Its distinctive flowing acrylic panels add a decorative element suitable for modern interiors. The fixture is lightweight, easy to install, and includes the LED light source, making it a refined choice for ambient lighting.

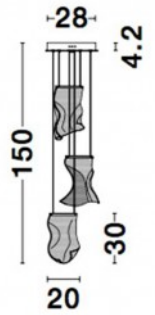

Correlated colour temperature	warm white 3000K
