

Pendant lamp Nova Luce Siderno transparent 30W 2046lm IP20 3000K warm white

Product code 22840

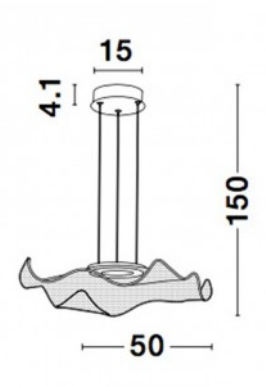

The Siderno suspension light features a sophisticated gold finish combined with an aluminium and acrylic construction, offering a modern decorative lighting solution. Designed for indoor ceiling mounting, it provides warm white LED illumination with a color rendering index above 80, ensuring natural light quality. This surface-mounted fixture delivers 1296 lumens of soft light at 3000K color temperature, ideal for enhancing contemporary interiors. The integrated LED module is non-replaceable and the fixture is non-dimmable, designed for reliable performance in ambient temperatures up to 45°C. Its compact dimensions and elegant design make it suitable for various indoor environments requiring stylish, functional lighting.
