

Pendant lamp Nova Luce Bellina transparent 24W 812lm IP20 TRIAC 3000K warm white

Product code 22852

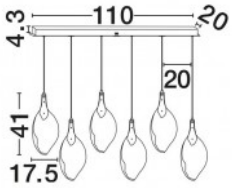

The Bellina pendant light combines elegant gold steel and glass materials to create a sophisticated lighting solution for indoor spaces. Featuring warm white LED illumination with a high color rendering index, it delivers a cozy and inviting ambiance. Designed for surface mounting on ceilings, this fixture offers dimmable control via Triac technology, allowing customizable light levels. Its sleek, decorative form enhances modern interiors, while the integrated LED source ensures energy efficiency. Ideal for residential or commercial environments seeking refined, ambient lighting.
