

Pendant lamp Nova Luce Bellina transparent 24W 812lm IP20 TRIAC 3000K warm white

Product code 22853

The Bellina pendant light combines elegant gold steel with artistic glass elements to create a striking decorative fixture. Designed for indoor ceiling mounting, it delivers warm white LED illumination with a high color rendering index above 80, ensuring natural light quality. This surface-mounted suspension light features a dimmable LED module with Triac control, allowing customizable ambiance. Its 50 cm diameter and 195 cm height make it suitable for various interior spaces seeking a refined lighting solution. The fixture is non-adjustable and includes the LED bulb, providing a seamless installation experience.
