

Ground light Nova Luce Wallwasher Sandy black 24V 44W 4223lm 30° IP67 3000K warm white

Product code 22855

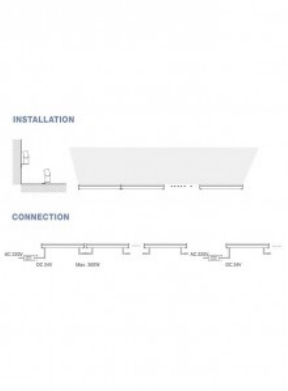

The Wall Washer LED wall spotlight from Nova Luce is a high-quality lighting solution specifically designed for outdoor use. With a power of 48 watts and a warm white light color, this facade-mounted spotlight provides effective and appealing illumination for various applications. Measuring 100 cm in length, 6.5 cm in width, and 12 cm in height, it is an ideal choice for highlighting facades, gardens, or other outdoor areas. The spotlight is equipped with an IP67 protection rating, meaning it is dust-tight and protected against temporary immersion in water. This ensures high durability and reliability, even under demanding weather conditions. The elegant black finish harmoniously integrates into modern architecture and creates a stylish lighting display. The Wall Washer LED wall spotlight is thus a practical and aesthetic solution for those who value quality and design.
