

Table lamp Nova Luce Valentin transparent / golden 230V 14W 786lm IP20 dimmerdatav 3000K warm white

Product code 22879

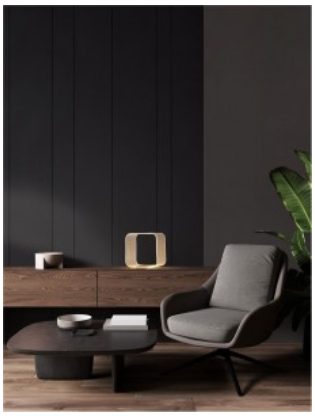

The Valentin table lamp combines a sleek matt gold finish with a modern design crafted from aluminium and acrylic. It emits warm white LED light with a color rendering index above 80, providing a cozy and inviting atmosphere. This surface-mounted lamp is designed for indoor use and features dimmable functionality with triac control for adjustable brightness. Compact and lightweight, it measures 24 cm in height and length, and 16 cm in width, making it a versatile decorative lighting solution for various interior settings.
