

Wall light Nova Luce Vea gold 230V 8W 540lm IP20 Dip Switch 2700 K - 3000 K

Product code 22882

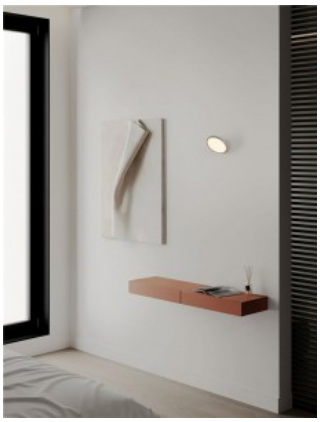

The Vea wall light combines a refined champagne gold finish with durable aluminium and microprismatic polycarbonate materials. Designed for indoor use, it emits warm white light with a high color rendering index above 80, enhancing any space with soft, inviting illumination. This surface-mounted fixture features an integrated LED light source with dimmable functionality via Triac control and selectable color temperatures between 2700K and 3000K. Compact and lightweight, it offers 540 lumens output, making it ideal for decorative and ambient lighting applications.
