

Facade luminaire Nova Luce Aneth black 230V 20W 1691lm IP65 3000K warm white

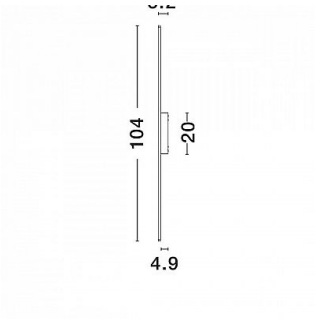

Product code 22896

The Aneth outdoor wall light combines a sleek sandy black aluminium finish with a warm white LED light source, delivering 1200 lumens at 3000K. Designed for surface mounting, it offers robust IP65 protection and anti-salt resistance, making it ideal for exterior environments. Its slim, vertical profile enhances modern architectural facades while providing efficient, non-dimmable illumination. This fixture is non-adjustable and includes a built-in LED module with a high color rendering index above 80, ensuring quality light output. With a height of 104 cm and compact width and length, it fits seamlessly on walls to enhance outdoor spaces with durable, stylish lighting.
