

Facade luminaire Nova Luce Helmet brown 230V 5W 321lm IP65 3000K warm white

Product code 22907

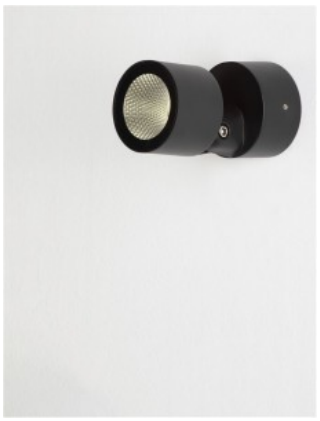

The Helmet outdoor wall light features a dark anthracite aluminium body with a glass diffuser, delivering 321 lumens of warm white light at 3000K. Designed for exterior use, it offers IP65 protection and anti-salt resistance for durability in harsh environments. This surface-mounted fixture is adjustable, allowing precise light direction. It includes a 5-watt integrated LED module with a high color rendering index above 80, ensuring quality illumination. Compact in size with a diameter of 7.5 cm and height of 13 cm, it is ideal for enhancing outdoor spaces with modern, minimalistic lighting.
