

## Pendant lamp Trio Lighting Celeste 4 beige 230V 30W 3000lm IP20 switch dimmer 830

Product code 22925

The CELESTE pendant light combines stylish elegance with high functionality. Its unique metal and glass design creates special accents in any room. The futuristically designed glass shades fascinate with a matt surface that creates breathtaking plays of light and a warm, inviting atmosphere. With the innovative Lift me function, the height of the light can be flexibly adjusted to suit your needs. Whether above the dining table, in the kitchen or in the living room - CELESTE always provides the perfect lighting. Thanks to the integrated SWITCH dimmer, you can control the brightness in three levels directly via the conventional light switch. This gives you full control over the light intensity and allows you to adjust the light to suit your mood or the time of day. The stylish combination of metal in coffee and matt black and white glass blends seamlessly into both modern and classic furnishing styles and allows the light to shine in any setting. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
