

Table lamp Nova Luce Mizu cream E27 IP20

Product code 22934

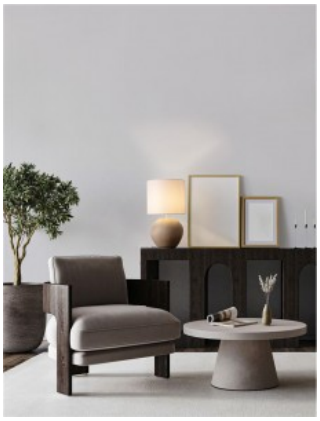

The Mizu table lamp combines a refined cream and white gypsum finish with a minimalist design, perfect for enhancing indoor spaces. Designed for surface mounting on tables, it uses a single E27 light source with a 12W bulb (not included). Its compact dimensions and neutral colors make it suitable for various interior styles, providing subtle decorative illumination. The lamp is non-dimmable and intended for indoor use with an IP20 rating, ensuring safe and reliable operation in living rooms, bedrooms, or offices.
