

Pendant lamp Nova Luce Gea black 230V 12W 840lm IP20 3000K warm white

Product code 22935

The Gea suspension light combines aluminium and acrylic materials with a sleek black sandy finish, creating a refined decorative lighting solution. Designed for indoor use, it mounts on the ceiling surface, providing warm white illumination with a color temperature of 3000K and a CRI above 80 for natural color rendering. This LED fixture delivers 840 lumens of steady light without dimming capability. Its slim 17.5 cm diameter and 180 cm height make it suitable for modern interiors seeking minimalist elegance. The integrated LED module is non-replaceable, ensuring consistent performance. With an IP20 rating, it is intended for dry environments. This fixture offers a lightweight yet durable design, perfect for enhancing ambient lighting in residential or commercial settings.
