

Pendant lamp Nova Luce Gea black 230V 8W 560lm IP20 3000K warm white

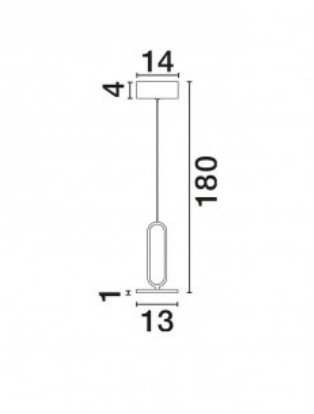

Product code 22936

The Gea pendant light combines a sleek black sandy finish with durable aluminium and acrylic materials, creating a refined lighting solution for indoor environments. This ceiling-mounted fixture emits warm white light with a high color rendering index, enhancing ambiance with natural tones. Its integrated LED source provides efficient illumination without the need for bulb replacement. Compact and lightweight, the design suits contemporary interiors seeking subtle decorative accents. The fixture is non-dimmable and surface-mounted, offering straightforward installation and reliable performance in residential or commercial settings.
