

Ceiling lamp Nova Luce Gatlin transparent 230V 28W 1300lm IP20 TRIAC 3000K warm white

Product code 22937

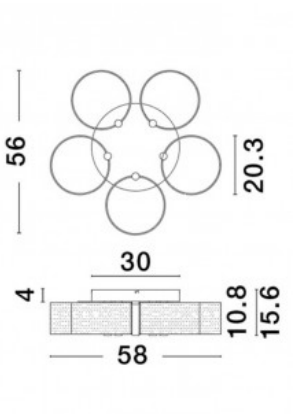

The Gatlin ceiling light features a sophisticated brass gold finish combined with metal and acrylic materials, offering a warm white LED illumination ideal for indoor environments. This surface-mounted fixture provides a sleek and modern aesthetic with a diameter of 56 cm and a height of 15.6 cm. It delivers a luminous flux of 1306 lumens with a color temperature of 3000K and a CRI above 80, ensuring high-quality light rendering. The integrated LED source is non-replaceable but includes a dimmable function compatible with Triac dimmers, allowing customizable ambiance. Designed for easy installation on ceilings, this light is suitable for various decorative applications, combining style and functionality in one elegant piece.
