

Pendant lamp Nova Luce The Egg black / white 230V G9 IP20

Product code 22941

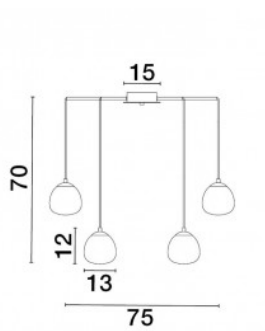

The Egg is a sophisticated ceiling light designed for indoor use, combining opal glass shades with gold and black metal finishes. This fixture features twelve G9 light sources, each with a 5W bulb capacity, arranged to provide balanced illumination. Its glossy and matt surfaces create a refined aesthetic suitable for modern interiors. The light is surface-mounted to the ceiling and is not adjustable or dimmable. With a diameter of 75 cm and height of 70 cm, it offers a striking presence while maintaining a sleek profile. The Egg is crafted from durable glass and metal materials, ensuring long-lasting quality and style.
