

Wall light Nova Luce The Egg white / golden 230V G9 IP20

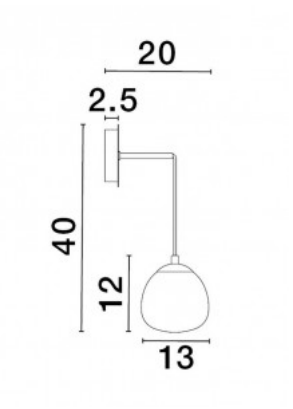

Product code 22942

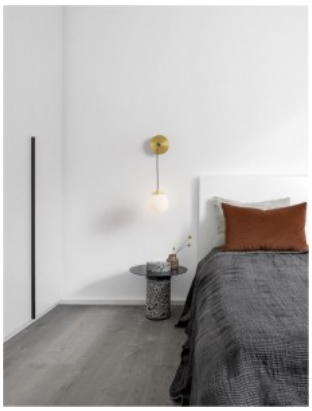

The Egg pendant light combines opal glass with gold and black metal finishes to create a refined lighting solution for indoor spaces. This surface-mounted fixture is designed for ceiling installation, offering a compact and elegant profile with dimensions of 13 cm length, 20 cm width, and 40 cm height. It uses a single G9 bulb (not included) with a 5-watt power rating, providing focused illumination suitable for decorative and ambient lighting. The fixture features a glossy and matt finish, enhancing its modern aesthetic. Its IP20 rating makes it suitable for indoor environments, while the durable glass and metal construction ensures lasting quality. This pendant light is a stylish choice for contemporary interiors seeking subtle sophistication.
