

Pendant lamp Nova Luce Ekei black 230V 14W 1091lm IP20 3000K warm white

Product code 22950

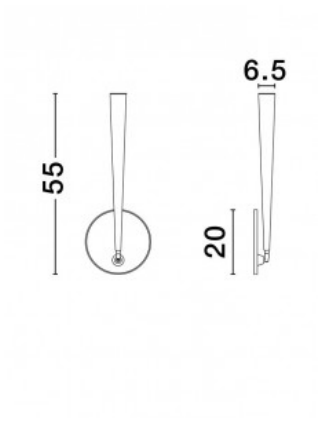

The Ekei is a modern ceiling light featuring a sleek white aluminium body with a sandy finish. Designed for indoor use, it offers warm white LED illumination with a color temperature of 3000K and a high color rendering index above 80. This surface-mounted fixture is adjustable, allowing precise light direction to suit various settings. With a diameter of 20 cm and height of 55 cm, it provides efficient lighting with a luminous flux of 1085 lumens. The integrated LED module is non-replaceable and the light is not dimmable. Ideal for contemporary interiors, it combines functionality with minimalist aesthetics.
