

Ceiling lamp Trio Lighting Winona RGBW black 28W 3200lm CRI80 IP20 2700K-6500K warm + cold white

Product code 22959

WINONA creates the right light for every mood and situation. The differently aligned light elements can be swivelled and their brightness and light colour can be adjusted as desired. In addition, the separately switchable indirect lighting in RGB colours provides a pleasant lighting ambience. All settings can be conveniently controlled via a remote control. Due to the modern colouring in matt black, the luminaire can be easily combined with existing furniture. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
