

Garden light Trio Lighting Jamaica white 2,5W 25lm IP44 RGB + 3000K RGBW warm

Product code 22967

Innovative mood maker. The JAMAICA is a table lamp, Bluetooth speaker and drinks cooler in one. Create relaxed ambient lighting with the integrated RGBW colour changer for long summer evenings on the balcony or terrace. Thanks to its stylish design, the JAMAICA not only impresses with its high functionality but also as a decorative and design object. The JAMAICA is battery-operated and can therefore be used indoors and outdoors. When fully charged, the battery lasts up to 10 hours. The loudspeaker is controlled via the Bluetooth connection with mobile devices, and light settings can be conveniently controlled using the remote control supplied. The white plastic design optimally reflects the light and is rounded off with a decorative brown band as a handle. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
