

Ceiling lamp Trio Lighting Amador Dip nickel 34W 4000lm CRI80 IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

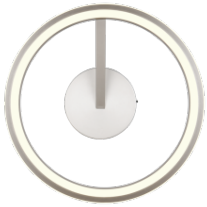

Product code 23105

The AMADOR ceiling light impresses with its clear, circular silhouette and contemporary purism. Without playful details, but with a fine sense of proportion and choice of materials, it blends harmoniously into modern living spaces - restrained in expression, effective in radiance. The integrated switch-dimmer function enables uncomplicated light control directly via the wall switch - without any additional technology. If you want to adjust the light colour as well as the brightness, you can set it using a switch on the luminaire. AMADOR is ideal for rooms where a calm, stylish ceiling solution is required - whether in the living room, bedroom or entrance area. Made of metal with a matt nickel finish, AMADOR impresses with its calm, elegant surface. The discreet finish emphasises the clear, functional design and makes the luminaire a timelessly modern companion in a wide variety of furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	4000lumens
Warranty	5 years
Brand	Trio Lighting
Dimmable	switch dimmer
Output	34W
CRI	80
Protection class	IP20
Lifespan	30000h
Height	180.0mm
Diameter	450.0mm
Weight	1.5 kg
Package weight	2.5 kg
Casing colour	nickel
Casing material	metal
No. of switches	15000times
Work environment	indoor use
