

Wall lamp Trio Lighting Taryn white GU10

Product code 23223

The TARYN wall light is the perfect companion for quiet hours of reading - discreet in design but powerful in function. Whether by the bed or next to your favourite armchair: thanks to the flexible arm, the light source can be positioned exactly where you need it. The FLEXconnect function is particularly practical: TARYN is suitable for both fixed connection and operation with a plug cable (supply cable not included) and can therefore be flexibly adapted to your living conditions. Made of matt white metal, the luminaire impresses with its clear look and timeless restraint. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
