

Facade luminaire Trio Lighting Soria 2 black GU10 IP44

Product code 23225

The SORIA wall light impresses with its clear restraint and modern design language. Its cylindrical, minimalist design makes it the perfect choice for outdoor areas, where it blends harmoniously into any façade - discreet but effective. The up-and-down lighting creates a beautiful, uniform play of light on the wall, emphasising the architecture and adding depth to the outdoor area. With an IP44 rating, SORIA is reliably protected against splashing water, making it ideal for entrances, patios or house façades. Made of matt black plastic, the light combines robust material with a timelessly elegant colour scheme. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
