

Facade luminaire Trio Lighting Yamuna 2 anthracite GU10 IP65

Product code 23226

The YAMUNA wall light stands for modern outdoor lighting in its finest form. With its cylindrical, minimalist design, it blends discreetly into any architecture while adding stylish accents to house facades, patios or entrance areas. The up-and-down lighting creates a fascinating play of light upwards and downwards, elegantly highlighting walls and adding depth and atmosphere to outdoor areas. Thanks to its high IP65 protection rating, YAMUNA is ideally equipped to withstand rain, dust and other weather conditions, making it ideal for permanent outdoor use. The luminaire is made of die-cast aluminium in anthracite and transparent glass, which gives it a particularly high-quality appearance and long-lasting quality. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
