

Wall light Trio Lighting Zandor white 6,5W 700lm IP20 3000K warm white

Product code 23250

The modern ZANDOR wall light for indoor use is a real eye-catcher in any living space. Most of the light escapes upwards and downwards. The pretty pattern of the luminaire also allows some light to escape here. The ZANDOR wall light is therefore particularly suitable for supplementary or accent lighting, because the focus is naturally not on bright illumination but on an atmospheric effect. The luminaire is made of white matt metal. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
Luminous flux	700lumens
Luminaire’s efficiency	108lm/W
Warranty	5 years
Brand	Trio Lighting
Output	6,5W
Maximum output	6.5W
Protection class	IP20
Lifespan	30000h
Width	180.0mm
Height	130.0mm
Casing colour	white
Casing material	metal
No. of switches	15000times
Work environment	indoor use
