Experience the perfect combination of clear aesthetics and brilliant light with the AMBALA spotlight series. The single-flame luminaire offers flexibility for wall or ceiling mounting and combines minimalist design with practical functionality. The switch dimmer allows you to conveniently adjust the brightness in three stages and the light colour can be continuously adjusted directly on the luminaire body. Thanks to the FLEXconnect ready function, the luminaire can be connected both via the fixed connection and via a plug cable (not included). Whether as a main light source or for targeted accentuation - the AMBALA sets stylish accents in your home with its simple elegance. The neutral colour scheme in matt black blends in effortlessly with existing interiors. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
