

Pendant lamp Nova Luce Egna gold / amber 13W 780lm IP20 830

Product code 23304

The Egna pendant light combines opal, cognac, and gold glass with metal accents to create a sophisticated decorative fixture. Designed for indoor ceiling mounting, it provides warm white LED illumination with a color rendering index above 80 for natural light quality. This surface-mounted pendant offers a sleek 12 cm diameter and 120 cm height, making it suitable for refined residential or hospitality environments. The integrated LED module delivers 780 lumens without dimming capability, ensuring consistent ambient lighting. Its elegant design and quality materials enhance modern interiors with a subtle yet striking presence.
