

Facade luminaire Trio Lighting Lunga anthracite IP44

Product code 23313

Set exciting light accents with the wall lamp LUNGA and transform your garden into an oasis of well-being. In addition, the integrated motion sensor provides more security around your house in the dark, as the built-in sensors automatically switch the light on and off again when there is movement in the immediate vicinity. Thanks to the weather-resistant metal and IP44 protection rating, the wall light is also ideal for illuminating your outdoor area. The stylish colour scheme in anthracite, in combination with a transparent glass, makes the wall lamp a real eye-catcher and provides a modern appearance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
