Pendant lamp Nova Luce Brielle transparent / black 230V 6W 282lm IP20 3000K warm white

Product code 23423

The Brielle pendant light features a refined combination of gray and mocha tones with a brushed metal and glass construction. Designed for indoor ceiling mounting, it provides warm white illumination with a color rendering index above 80, ensuring natural light quality. This surface-mounted fixture offers a sleek, elongated silhouette measuring 174 cm in height and 8 cm in diameter, ideal for modern interiors. The integrated LED module delivers 282 lumens at 3000K color temperature, creating a cozy ambiance without dimming capability. Its durable materials and elegant finish make it a sophisticated choice for decorative lighting applications.
