

Pendant lamp Nova Luce Felicia black 230V 44W 3051lm IP20 TRIAC 3000K warm white

Product code 23425

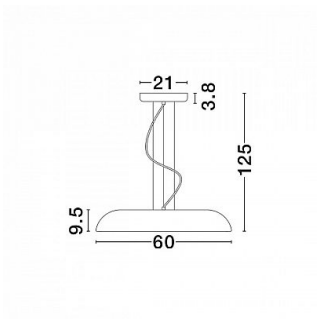

The Felicia suspension light combines a sleek black sandy finish with durable aluminium, steel, and acrylic materials. Designed for indoor ceiling mounting, it provides warm white LED illumination with a high color rendering index above 80, ensuring vibrant and natural light. This fixture is dimmable via triac, allowing customizable ambiance. With a diameter of 60 cm and height of 125 cm, it balances presence and subtlety in modern interiors. The integrated LED module delivers efficient 44W power with a luminous flux of 3051 lumens. Its surface mounting and IP20 rating make it suitable for dry indoor environments. This fixture is a refined choice for contemporary decorative lighting needs.
