

Facade luminaire Trio Lighting Nestos anthracite 13W 1300lm CRI80 IP54

Product code 23470

The NESTOS outdoor luminaire provides the necessary safety around your house and unfolds its full effect in the dark. The striking design radiates the light evenly into the outdoor area, so that an effective and pleasant light intensity is achieved. Due to the given protection class IP54, the luminaire is protected against splashing water and is perfectly suitable on your house facade or on the wall of your terrace as well as your balcony. The outdoor luminaire consists of a high-quality die-cast aluminium in anthracite as well as a white, cuboid-shaped light body made of plastic. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
