

LED bulb Trio Lighting Mini 230V 4W 345lm GU10 90° IP20 switch dimmer 830

Product code 23472

This small light source emits a pleasantly warm light that creates a cosy and inviting atmosphere - ideal for living rooms, bedrooms or hallways. Thanks to its compact size, it can be used in a variety of ways, even in smaller luminaires or limited installation situations. It is also suitable for switch dimmers so that the brightness can be conveniently adjusted in three levels (100 %, 50 % and 25 %) - to suit your mood and requirements. The light source is white. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
