

# LED bulb Trio Lighting Led Spot Mini 230V 4W 345lm GU10 90° IP20 DIMMABLE 827

Product code 23473

This small light source emits a pleasantly warm light that creates a cosy and inviting atmosphere - ideal for living rooms, bedrooms or hallways. Thanks to its compact size, it can be used particularly flexibly, even in smaller luminaires or where space is limited. It is also suitable for use with external dimmers so that the brightness can be individually and continuously adjusted to suit your mood and requirements. The light source is made of transparent glass. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
