

Table lamp Nova Luce Brielle transparent / black 230V 5W 181lm IP20 835

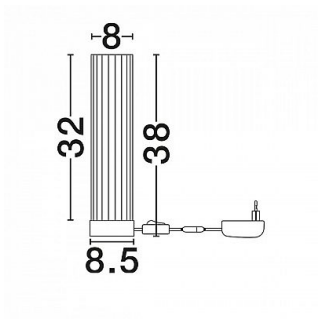

Product code 23483

The Brielle table lamp combines a sleek brushed metal and glass construction in gray and mocha tones, offering a refined decorative lighting solution for indoor spaces. It emits a warm white light with a color temperature of 3000K and a high color rendering index above 80, ensuring natural and comfortable illumination. Designed for surface mounting on tables, this lamp includes a built-in LED module and delivers 181 lumens of soft light. Its compact dimensions and subtle design make it ideal for bedrooms, living rooms, or any indoor environment requiring ambient lighting.
