

Pendant lamp Trio Lighting Emerson gray 22W 2500lm IP20 DIMMABLE 2700K-5000K

Product code 23537

The EMERSON pendant light combines linear design with minimalist elegance and blends harmoniously into modern living concepts. With its clear design, it is ideal for stylishly illuminating dining tables or kitchen counters. Particularly practical: EMERSON offers three different brightness levels using the touch function so that it can be adjusted to the desired lighting atmosphere at any time. The light colour is also infinitely adjustable - for a warm, inviting ambience or neutral light for concentrated work. Thanks to the variably adjustable height, the luminaire can be flexibly adapted to the spatial conditions and individual requirements. The elegant combination of warm grey and matt black underlines the modern aesthetics and makes the light a stylish highlight in any room. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm - cold white 2700K - 5000K
Luminous flux	2500lumens
Luminaire’s efficiency	114lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	dimmerdatav
Output	22W
Maximum output	22W
Protection class	IP20
Lifespan	30000h
Width	1150.0mm
Height	1500.0mm
Weight	3 kg
Casing colour	gray
Casing material	metal
No. of switches	15000times
Work environment	indoor use
