

Facade luminaire Trio Lighting Horton anthracite 8W 1000lm IP54 3000K warm white

Product code 23544

Variable and modern – that is the HORTON outdoor luminaire. Due to the reduced design of the wall lamp, the focus is placed on functionality. Thanks to the swivelling lampshade, the light fall can be individually adjusted according to your needs. A special feature of these outdoor lights, is the integrated motion sensor. It reacts to movement in its immediate surroundings and switches on and off automatically. A guarantee for more safety and orientation in the dark! In addition, the light is made of sturdy and weather-resistant die-cast aluminum, making it ideal for illuminating your outdoor space. The puristic design and the colour scheme in anthracite set modern accents in your garden. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
