

Facade luminaire Trio Lighting Kendal anthracite 12W 1400lm IP54 3000K warm white

Product code 23557

Whether you install the KENDAL outdoor light on the façade of your house, your balcony or on the wall of your patio, this light is versatile thanks to its simple design. The IP54 protection rating ensures protection against the ingress of dust and splash water, making the classic light with a size of 25x12 cm an ideal choice for outdoor use. The colour combination of white and anthracite underlines the modern style and can be combined wonderfully. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
