Facade luminaire Trio Lighting Adaja anthracite 6W 700lm IP54 3000K warm white

Product code 23558

Multifaceted lighting design and a simple shape - the ADAJA wall light with up & down lighting. When the luminaire is switched on, the light is effectively projected onto the wall of the building, creating a decorative lighting ambience. The luminaire has adjustable internal elements so that the upward and downward light cones can be individually selected between 0 and 90. Thanks to the weather-resistant die-cast aluminium in combination with the IP54 protection rating, the wall light with a size of 8 x 8 cm is ideal for illuminating your outdoor area. The anthracite-coloured design can be combined in a variety of ways and ensures a modern appearance. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
Luminous flux	700lumens
Luminaire’s efficiency	117lm/W
Warranty	5 years
Brand	Trio Lighting
Output	6W
Maximum output	6W
Protection class	IP54
Lifespan	30000h
Width	80.0mm
Height	80.0mm
Weight	400 g
Package weight	500 g
Casing colour	anthracite
Casing material	aluminium
No. of switches	15000times
Work environment	outdoor use
