

Track light Karizma Luce Dea Juno-Q1 XS black 48V 7W 500lm 34° IP20 DALI 930

Product code 23585

Karizma Luce Dea Juno-Q1 XS is a small cylindrical spotlight for the surface mini 48V Q1 track system from Karizma Luce. With a 40mm body and a deeper-set light source, it delivers soft, glare-controlled illumination with a refined presence. This compact fixture offers elegant, versatile lighting for sophisticated interiors. It is excellent for hospitality projects, museums, galleries, small boutiques, exclusive villas, and hotel receptions.

Dea Juno-Q1 XS delivers up to 510lm with a 34° medium beam, ensuring high visual comfort in architectural spaces. You can combine the black or white version with reflector finishes in gold, silver, chrome, white, copper, glossy black, or black matt. Control options include on/off, DALI, or Casambi, always in high CRI, single CCT, or dim-to-warm. Make your selection and enjoy a flexible, minimalistic lighting solution with high-end appeal.
