

Ceiling lamp Trio Lighting Soka 3 black 230V GU10 IP20

Product code 23601

The SOKA spotlight combines modern simplicity with fine design details. Its clearly structured surface with vertical grooves gives it an elegant texture. Equipped with three light sources, SOKA provides more extensive illumination and enables flexible light distribution - ideal for corridors, kitchens, work areas or as a stylish addition to modern living concepts. Made of metal with a matt black finish, SOKA has a striking, elegant yet discreet appearance. The black sets clear accents and at the same time blends effortlessly into modern colour concepts - stylish, timeless and with a strong presence. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
