

Pendant lamp Trio Lighting Senta 5W 800lm IP20 3000K warm white

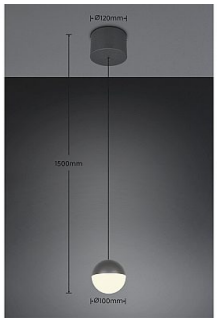

Product code 23622

The SENTA pendant light combines graceful elegance with modern lightness. Its spherical light source appears to float in the room and sets stylish accents with a touch of luxury. Thanks to the clever lift-me function, the light source can be adjusted upwards or downwards as required - so the lighting atmosphere can be adapted to your needs at any time. Whether used individually or arranged in a group: SENTA looks simply elegant and cuts an impressive figure above the dining table or at the kitchen counter. Made of anthracite-coloured metal and anthracite-coloured and white plastic, the luminaire combines elegant design with modern materials. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
