

Pendant lamp Trio Lighting Senta 3 15W 2400lm IP20 3000K warm white

Product code 23626

The SENTA pendant light impresses with its graceful elegance and three spherical light sources that look like floating points of light in the room. Its sophisticated design lends dining areas or kitchen counters a special lightness and creates a harmonious overall look. Thanks to the clever lift-me function, the height of the light sources can be individually adjusted - so you can flexibly adapt the lighting atmosphere at any time and perfectly tailor it to your needs. Made of anthracite-coloured metal and anthracite-coloured and white plastic, the luminaire combines elegant design with modern materials. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
Luminous flux	2400lumens
Luminaire’s efficiency	160lm/W
Warranty	5 years
Brand	Trio Lighting
Output	15W
Maximum output	15W
Protection class	IP20
Lifespan	30000h
Length	90.0mm
Width	620.0mm
Height	1500.0mm
Casing colour	anthracite / white
Casing material	plastic
No. of switches	15000times
Work environment	indoor use
