

Pendant lamp Trio Lighting Romeo 1 black 230V 7W 700lm CRI80 GU10 IP20 Dip Switch 2300K, 3000K, 4000K 3CCT

Product code 23652

The ROMEO pendant light gets to the heart of minimalist design. With its simple shape and restrained choice of colours, it blends effortlessly into modern room concepts. This is exactly what makes it so versatile: ROMEO supports the atmosphere of the room without imposing itself. Thanks to the integrated lift-me function, the height of the luminaire can be infinitely adjusted - ideal for the dining area or above a kitchen island. The light colour can be adjusted to individual requirements using the integrated DIP switch. The housing of the luminaire is made of high-quality metal and impresses with its matt black surface. The understated colour blends harmoniously into modern furnishing concepts and lends the luminaire a functional elegance - ideal for anyone who values a deliberately minimalist yet high-quality design. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	700lumens
Luminaire’s efficiency	100lm/W
Warranty	5 years
Brand	Trio Lighting
Supply voltage	230V
Dimmable	Dip Switch
Output	7W
Maximum output	7W
Socket	GU10
CRI	80
SDCM - MacAdam Ellipses	6
EN62471	RG1
Protection class	IP20
Lifespan	25000h
Height	2000.0mm
Diameter	145.0mm
Casing colour	black
Casing material	metal
No. of switches	15000times
Operation temperature	-20° - +40°C
Certificates	CE, UKCA, EAC
Manufacturer’s homepage	products.trio-lighting.com/337010132/
Energy class
