

Pendant lamp Trio Lighting Keaton 5 black / golden 50W 5900lm CRI80 IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

Product code 23664

Modern, purist and yet wonderfully unobtrusive: the KEATON pendant light impresses with a sophisticated design that is reminiscent of softly glowing discs that stylishly overlap. Its minimalist look is further emphasised by the soft colour tones - a real style statement for living or dining areas. The luminaire has five light sources that provide uniform, pleasantly diffuse illumination. KEATON also has a lot to offer technically: Using a practical DIP SWITCH directly on the luminaire, the light colour can be flexibly selected between warm white, neutral white and cool white - depending on the mood you want to create. The brightness can also be individually adjusted - simply in three stages using the conventional wall switch. In the stylish matt black and matt brass colour scheme, KEATON relies on the successful combination of high-quality metal, a subtle lighting effect and contemporary aesthetics. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	5900lumens
Luminaire’s efficiency	118lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	switch dimmer
Output	50W
Maximum output	50W
CRI	80
Protection class	IP20
Lifespan	30000h
Length	300.0mm
Width	1400.0mm
Height	1500.0mm
Casing colour	black / golden
Casing material	metal
No. of switches	15000times
Work environment	indoor use
