

Table lamp Trio Lighting Keaton light gray 12W 1400lm CRI80 IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

Product code 23684

Modern, purist and yet wonderfully unobtrusive: the KEATON table lamp impresses with a sophisticated design that is reminiscent of softly glowing discs that stylishly overlap. Its minimalist look is further emphasised by the soft colour tones - a real style statement on a chest of drawers or bedside table. KEATON has a lot to offer technically: It has an integrated dimmer with sensor dimmer function that allows the brightness to be continuously adjusted. The luminaire can be conveniently operated via ON/OFF touch control, while the adjustable light colour from warm white to cool white allows you to create your own individual lighting mood. In the stylish Warm Grey and Coffee colour scheme, KEATON relies on the successful combination of high-quality metal, a subtle lighting effect and contemporary aesthetics. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	1400lumens
Luminaire’s efficiency	117lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	switch dimmer
Output	12W
Maximum output	12W
CRI	80
Protection class	IP20
Lifespan	30000h
Height	455.0mm
Diameter	300.0mm
Casing colour	light gray
Casing material	metal
No. of switches	15000times
Work environment	indoor use
