

Wall light Trio Lighting Keaton light gray 10W 1200lm CRI80 IP20 switch dimmer 2300K, 3000K, 4000K 3CCT

Product code 23690

Modern, purist and yet wonderfully unobtrusive: the KEATON wall light impresses with a sophisticated design that is reminiscent of softly glowing discs that stylishly overlap. Its minimalist look is further emphasised by the soft colour tones - a real style statement for hallways, living rooms or bedrooms. KEATON has a lot to offer in terms of technology: Using a practical DIP SWITCH directly on the luminaire, the light colour can be flexibly selected between warm white, neutral white and cool white - depending on the mood you want to create. The brightness can also be individually adjusted - simply in three stages using the conventional wall switch. A special highlight: thanks to FLEXconnect, KEATON has an additional cable outlet on the round base - this provides more flexibility during installation and makes the luminaire look even more elegant. In the stylish Warm Grey and Coffee colour scheme, KEATON relies on the successful combination of high-quality metal, a subtle lighting effect and contemporary aesthetics. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	3CCT 2300K, 3000K, 4000K
Luminous flux	1200lumens
Luminaire’s efficiency	120lm/W
Warranty	5 years
Brand	Trio Lighting
Dimmable	switch dimmer
Output	10W
Maximum output	10W
CRI	80
Protection class	IP20
Lifespan	30000h
Width	300.0mm
Height	185.0mm
Diameter	200.0mm
Casing colour	light gray
Casing material	metal
No. of switches	15000times
Work environment	indoor use
