Facade luminaire Nova Luce Darf black 230V 5W 420lm IP65 830

Product code 23715

The Darf outdoor wall light features a durable sandy black die-cast aluminum body with an ABS diffuser that emits warm white light at 3000K. This compact fixture delivers 420 lumens from a 5-watt LED module, designed for surface mounting on exterior walls. Its IP65 rating ensures reliable protection against dust and water, making it ideal for outdoor environments. The fixture is non-dimmable and includes an integrated LED light source with a color rendering index above 80 for natural illumination. With a sleek, minimalistic design and robust construction, it provides efficient and stylish lighting for various outdoor applications.
