

Wall light Nova Luce Sabia 4 chrome / white 20W 2052lm IP44 830

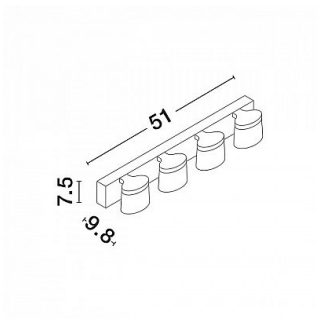

Product code 23728

The Sabia LED wall light offers a sleek chrome finish combined with durable aluminium and acrylic materials, designed specifically for indoor bathroom environments. It provides warm white illumination with a color temperature of 3000K and a high color rendering index above 80, ensuring natural and comfortable lighting. This surface-mounted fixture is non-dimmable and includes an integrated LED module with a luminous flux of 2052 lumens. Its IP44 rating protects against moisture, making it suitable for bathroom use. Compact and elegant, it measures 51 cm in length, 9.8 cm in width, and 7.5 cm in height, delivering efficient lighting with a power consumption of 20W.

Correlated colour temperature	warm white 3000K
