

Wall light Nova Luce Sabia chrome / white 10W 1026lm IP44 830

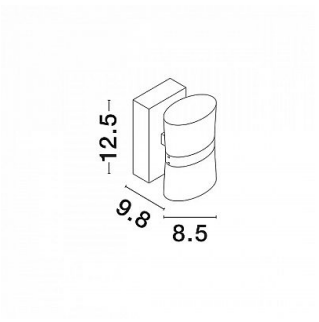

Product code 23731

The Sabia wall light offers a sleek, chrome finish combined with durable aluminium and acrylic materials, designed specifically for indoor bathroom environments. It features a warm white LED light source with a color temperature of 3000K and a high color rendering index above 80, ensuring natural and comfortable illumination. This surface-mounted fixture is compact and practical, with dimensions suitable for various bathroom spaces. The integrated LED module delivers 1026 lumens of steady light without dimming capability. With an IP44 rating, it provides reliable protection against moisture, making it ideal for bathroom walls. The light is easy to install and comes with a bulb included, offering a complete lighting solution that balances style and functionality.
