

Wall light Nova Luce Brielle transparent / black 230V 5W 181lm IP20 830

Product code 23736

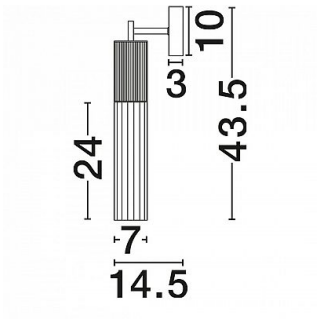

The Brielle wall light combines brushed metal and glass in a sophisticated gray and mocha finish, designed for indoor use. It provides warm white illumination with a high color rendering index above 80, enhancing ambiance with a soft 3000K light. This surface-mounted fixture is compact and lightweight, making it suitable for various interior settings. The integrated LED module offers efficient lighting without the need for replacement. Its sleek, non-adjustable design complements modern decor, delivering 181 lumens of steady light. Ideal for decorative applications, it adds subtle elegance to living spaces.
